## REMOVALS & STORAGE LIMITED

### Jamie Briggs Removals and Storage refund policy

We are members of British Association of Removers Trust Scheme. This Payment Guarantee scheme protects pre-payment in the event that your selected BAR member company were to fail financially prior to fulfilling your removal contract. Every BAR member is covered by the scheme and all cash, BACS and debit card advance payments are protected for any private residential removal and storage contract concluded in the UK.

Refunds are only available if, for any reason, we are unable to honour the terms of our contract with you.
